

Scottish Communities Climate Action Network (SCCAN) CIC Network Coordinators for Community Climate Action

Job Title	Regional Network Coordinator - Lanarkshire
Reports to	SCCAN Networks Manager
Salary	£28,000 pa pro rata (full-time = 35 hours per week)
Location	Working from home or possibly a local office
Hours	28 or 35 hours per week until the end of March 2023. Working hours to be confirmed with the successful candidate and they will generally be Monday to Friday, but appointees will need to work occasional evenings / weekends.
Contract	This activity is funded by the Scottish Government until the end of March 2023 with a possible extension beyond that date to make it a 12 month post
Closing Date	9am Tuesday 19th July
Interview Date	Monday 25th July

Background

Following the UN COP26 in Glasgow the Scottish Government invited SCCAN to support the development of 10 **regional community climate action networks**. These will be well connected with the wider third sector and with the public sector in their areas so as to support the emerging network of regional community climate action hubs.

The regional **Network Coordinators** will be recruited by SCCAN in collaboration with local member organisations. They will be supported by Gill Davies, SCCAN's Regional Networks Manager who will oversee the launch and development of this programme and will provide coordination and support for the regional **Network Coordinators**.

Job Purpose

The regional **Network Coordinators** are responsible for supporting the development and ongoing coordination of their regional **Community Climate Action Network**.

This will include working with local community led organisations to provide ongoing support to civil society / third sector / community led groups - ensuring structures and processes for peer support and sharing of experience and learning between groups are established.

Where appropriate, **Coordinators** will explore options to bid for Scottish Government funding to become a regional Community Climate Action Hub.

Regional Network Coordinators for Community Climate Action

Main Responsibilities

1. Working closely with local organisations, networks and individuals who are already engaged with climate change
2. Reaching out to groups and individuals who are not yet engaged with climate change, and helping to reduce barriers to engagement; recognising that climate and social justice are intimately connected.
3. Organise regular meetings and support the development of a healthy and collaborative group culture within the network
4. Map community activity / networking efforts in their region and establish contact with groups that could play a role in co-creating and determining the extent of the network
5. Identify and invite participation of appropriate organisations to collaborate and assist groups to define the boundaries of their regional community climate action network
6. Connect these organisations with relevant Scottish networks and ensure sharing of learning and experience within and between the regional networks.
7. Ensure that the regional network members gain access to SCCAN activities, events, training etc. and the [Community Learning Exchange programme](#)
8. Search out and signpost relevant stories to SCCAN Story Weavers
9. Communicate needs of regional network members to relevant SCCAN circles / working groups and help to create and manage appropriate support services for their community climate action network members
10. Identify opportunities for regional training sessions on relevant topics to meet their local members' needs
11. Participate as appropriate in SCCAN circles / working groups and contribute to the development of appropriate toolkits and training materials
12. Encourage network members to join SCCAN and participate in SCCAN activities
13. Encourage networks to plan forward, potentially towards incorporation to allow them to bid for funding as appropriate, assist in bid writing.

Knowledge, Skills and Experience Required: E = Essential / D = Desirable

- E Experience of network development - developing and maintaining existing networks
- E Project management experience with skills and experience in community development
- E Experience of hosting and facilitating meetings and public engagement events
